The accountant offered to meet with the board if they would like to discuss the audit or the recommendations.
- All delinquent accounts have been turned over to the attorney for collection.

- Trustee Buehler was reminded about the fine which he had offered to pay.

Pool Committee: Paul Buehler, Chairperson

- The Volleyball equipment has been stored in the garage unit.

- Trustee Jacobs was not able to update the website due to personal issues, but he will get to it this month.
- M. Segura will be contacted regarding the phone bill for the 1-800 line so MCA can reimburse her.

Security Committee: Richard Dengler, Chairperson

- Trustee Dengler reported that the investigation continues on the three break-ins on Graystone, although he is not happy with the response from the detective.
- A car was broken into on Cedarbrook.
- A Shadetree Lane resident complained that some Crestleigh Apartment residents trampled his fence in order to get to a party his neighbor was hosting. Although there continue to be issues with “cut-throughs” from the apartments, this appears to be a neighbor dispute.

Facilities Committee: Richard Dengler, Chairperson

- Trustee Dengler will ask Brickman to clean debris from the drains/drainage area.
- Three bids for painting the tennis court fence, one coat, have been received. (\$4,000, \$6,000 and \$6,000). He reported that the fence is very rusty and asked if direct to metal paint will work on rust or if the fence should be replaced. He will get quotes on the cost of a new fence.
- Brickman is coming to do the reseeding. Trustee Derrick asked if he had received a guarantee in writing; if the in-field area was removed; if the trench area was included; and if it will be watered.
- Swing is ready and Trustee Eisenberg put it up.

Captain Rob Brewer, Commander of District VI, Prince George’s County Police, stopped by to introduce himself and open the channels of communication between Montpelier and the PG Police Department. He offered information on the investigation of the Graystone break-ins. He will check into the investigator’s response and follow-up. Statistics on crime in our area will be sent to Trustee Dengler.

He spoke on the new 911 dispatch system which has been frustrating to some. It is no longer handled by police personnel but by Public Safety Communications. He asked if there would be community interest in a Neighborhood Walk or Neighborhood Watch. Trustee Dengler said the security committee acts as a type of neighborhood watch. Trustee Keating asked for increased radar presence for speeding on Montpelier Drive. Speed cameras were also discussed. Captain Brewer said he would try to get some additional speed traps in our neighborhood.

Captain Brewer indicated that one way for residents to get emergency information would be to sign up for free alert notices send directly to e-mail addresses and/or cell phones: ***nexle.com***.

There being no other old business, Trustee Derrick recessed the meeting at 8:45 pm in order to seat the new board. The new board was seated and Trustee Derrick called the meeting to order at 8:46 pm.
